Tasting Room Team

Broll Mountain Vineyards is pleased to announce a new face at the Tasting Room, Michelle Bauer. A Calaveras County native, Michelle recently returned to Murphys from the Monterey area where she worked for several years in a dental office. In her free time, Michelle enjoys snow skiing, hiking and traveling, as she just returned from a six week trip to Europe. We are happy to have Michelle join our team!

BMV is also very fortunate to have Roger and Ginger La Jeunesse as part of our tasting room team.

Roger and Ginger moved to Murphys from Sunnyvale in 1993. Before their retirement, Roger was a publications manager in Silicon Valley, and Ginger taught in the Santa Clara Unified School District. They have two children, four grandchildren, and a new Labrador puppy, Maggie.

2007 Petite Sirah

We are pleased to announce our 2007 Petite Sirah will be released February 1, 2010. The cost will be \$32 per bottle with a 20% discount for a case or more. This Petite Sirah has a “nose of cinnamon, clove, blueberries and black plum with a hint of rose.

The mouth is very full, rich black fruit with dark chocolate, white pepper, cherry cola, with a long smooth finish. Very elegant.” BMV Winemaker Mark Kunz believes this is the best Petite Sirah ever.

Excellent Olive Oil

BMV is pleased to report an exceptional harvest for 2009 Olive Oil. Our bottle price remains at \$22 for the same 500ml bottle. We are now offering one free bottle for every two bottles purchased.

Chocolate is Back!

By popular demand, our delectable BMV chocolate sauce is now for sale in the tasting room. The chocolate sauce pairs nicely with the BMV Petite Sirah.
